### ULYSSES

The friends and relatives and the entire community was shocked at the almost sudden death of Wallace Grim of Louisa on last Thursday night.

Our informant says he had for several years been suffering with heart and rheumatic troubles and which had become much worse after an attack of influenza last fall. However, on the night of the 14th inst. he ate a hearty supper and retired to bed apparently well as usual. In a short time after retiring he became seriously ill and aroused his family who did all they could for him but all to no avail for in one brief half hour after calling his family he died. He leaves a wife, one son, several grand children and one brother. He was about 60 years old. He was buried Saturday at the Louisa cemetery.

There are several cases of sickness in this locality at this time.

Rev. W. B. Skaggs of Johnson county preached at Walnut Grove Saturday night and Sunday. We are informed that the meeting will be continued for a few days longer.

James Daniels, of Henrietta, has purchased the farm just above the mouth of Lost Creek of Elijah B. Brown. The farm is known as the James George farm. We are also informed that Dan Brown of Gallop has bought the H. K. Brown farm near Borders Chapel of Elijah B. Brown.

Mr. A. J. Austin, of this place, is selling out and contemplating moving away in the near future. We have not learned who the purchaser is. Mr. Austin is a prosperous farmer, stock raiser, merchant and postmaster of this place and his many friends regret very much that he and his family have decided to locate elsewhere.

The recent arrivals are: Born to Borders Deardorff and wife, a boy; to Louie Brown and wife, a boy, and to Dave Davis and wife twin babies, a boy and girl.
